9.No. of IQAC meetings held during the year 4

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**

- If No, please upload the minutes of the meeting(s) and Action Taken Report [View File](#)

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? No

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

The college has entered into Memorandum of Understanding/Linkages with various institutions of Higher Education to expand the academic horizons of the college and provide greater opportunities of learning for our students. Faculty exchange programmes have been conducted to encourage academic dialogue between the institutions.

Seminars on various academic topics, NEP 2020 and NAAC have been organised by the IQAC to develop the academic mileu of the college and provide exposure to the students in various academic aspects.

Seven skill enhancement add on courses without imposing any financial burden on the students have been organised by various departments. One of these courses was organised in collaboration with Mahindra Pride Classroom project specifically targeted towards installing employable soft skills among the girl students of the college.

Submission of NIRF data.

Initiate regular Career Oriented Sessions to introduce students to the job market as well as employable skills.

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards

Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
To enter into MOU/Linkages with other Institutions of Higher Education to develop the overall academic quality of the institution.	The college has entered into MOU with 23 institutions of Higher Education and faculty exchange programmes have been organized with them.
To encourage departments to conduct seminars/workshops to provide academic exposure to both students and faculty members.	23 state level one day seminars have organized by various departments in collaboration with the IQAC.
To encourage the arrangement of add-on courses (both in house and in collaboration with external agencies) for enriching the students and instill employable skills in them.	07 add on courses have been organized both internally by various departments and also by external agencies like Mahindra Pride Classroom.
To conduct regular career counselling classes through the Career Counselling Cell of the institution.	07 Career Counseling Sessions held.
To prepare for reaccreditation under UGC-NAAC.	Pending AQARs being submitted.
To apply for funds/grant-in-aid to the Department of Higher Education for the development of physical and academic infrastructure of the college.	Applications for building grant, library grant, laboratory grant sent.
To revamp the website of the college. To open a new portal instead of the currently defunct www.polbamahavidyalaya.com .	It has been decided that endeavor would be taken to shift to ac.in portal.
To enhance the extension activities through the two NSS Units of the college.	NSS Units have held multiple programmes and purchased essential goods in the given year.

13. Whether the AQAR was placed before statutory body?

Yes

15. Multidisciplinary / interdisciplinary	
<p>Interdisciplinary and multidisciplinary approaches in higher studies embody the quintessence of higher education in present times especially in CBCS system and is more critically embodied in the NEP 2020, that is about to be introduced from the following academic session. Like other institutions we have moved also towards interdisciplinary and multidisciplinary pedagogy as it is recognised to be relevant in the contemporary situation. In order to bolster the interdisciplinary temperament of education, various departments have already taken some holistic measures in terms of classroom teaching, students' seminars, conferences and group discussion, etc. In view of this, the teachers of the respective departments have also been actively engaging in interactive sessions with the students and have been encouraging them to locate connections between the subjects being taught and other allied disciplines. Furthermore, the institution also encourages dialogism across disciplines and, thus have organized interdisciplinary seminars so to enable them in developing an intellect and a rationale rooted in interdisciplinary and multidisciplinary approaches. For example the students of science have to learn language in the current syllabi. The students of humanities & social sciences on other hand learn environmental science. Moreover students and teachers of either stream are encouraged to attend the academic programs of their counterpart. The add on courses are also open to students from all disciplines.</p>	
16. Academic bank of credits (ABC):	
Enrollment in academic bank of credits system with registration	

and examination form fill up is mandatory for all students in accordance with the guidelines of the University of Burdwan. The students have been trained for the process and assisted by the ICT Subcommittee. Students have been made aware about the process by arranging seminars and hands on training sessions.

17.Skill development:

The CBCS includes SEC courses i.e., Skill Enhancement Courses for developing students' skills for subject-related job opportunities, e.g., courses on Spoken English, Business Communication and Technical English in English Hons and General SEC syllabi. History consists of courses like Archives and Museums, Heritage, Art Appreciation etc. Geography conducts courses like Remote Sensing, Map making, field visit etc. Botany and Zoology require industry visits and practical studies. Field projects also help in this regard. There are several courses in the science subjects that inculcate professional skill among students like Renewable Energy and Energy Harvesting, sericulture etc. Employability skills have been generated through add on courses like Mathematics for Competitive Examination, Remote Sensing, Braille in Education etc. Career Counselling Committee has taken classes on topics like How to Write a Resume or How to write an Application.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

It is the general practice in this institution that the faculties are apt and dedicated to impart lesson in English and Bengali giving due credence to the bilingual mode. This Institution provides the platform towards attaining degree in the vernacular languages like Bengali, and Sanskrit. The institution takes full cognizance of the vision of incorporating Indian Knowledge Systems, including tribal knowledge and indigenous and traditional ways of learning, that is shared and preserved through cultural programmes, seminars, ecological conservation works. More progress towards having this objective transforming into reality awaits a holistic approach to be followed and adopted country wise. In subjects like Bengali and Sanskrit, students learn about indigenous and classical literature and language and social norms. In Philosophy the students are introduced to the ideas of Indian Philosophical schools. History imparts knowledge about our culture, heritage and past.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome-based education (OBE) is an educational theory that emphasizes and revolves around the practical goals (outcomes) higher education is committed to fulfill. By the end of the educational experience, each student should have achieved the goal. Efforts made by the Institution function in this direction to ensure . The Learning OBE Framework was considered to formulate Program Outcome, Program Specific Outcome and Course Outcome that were in alignment with the vision and mission of the college and the PO/CO/PSO suggested by the University. The programme learning outcome and programme specific outcome are adapted by the IQAC and the departments. The faculty formulated course outcomes for their respective courses and mapped with programme outcome and programme specific outcome. The curriculum transaction and assessment strategies were remodeled to enable us to understand the attainment levels with respect to the course outcome and further the programme outcome. A multidisciplinary approach was used with more application-based learning strategies which emphasized critical thinking and collaboration. Technology-based solutions were leveraged to provide quality service. In all the courses, skill-based learning was reinforced through practical applications. Project based learning and experiential learning and research based approach to teaching and learning were largely emphasised. The skill development required for 21st century conditions are further supported by Skill Enhancement Course (SEC). Ability Enhancement Compulsory Course (AECC) was also introduced to help the students enhance their skills in communication, language and personality development. Generic Elective course was introduced with an intention to seek exposure beyond student's discipline subject. Core course provides them with the in depth knowledge in their subject. The comprehensive attainment of the internal is analysed and the remedials are chalked out. The direct attainment includes both the internal as well as semester end assessment. The institution collects continuous feedback and includes it as the indirect parameter. For better Learning Outcomes, the intuition had focussed on the Student learning behaviours, appropriate assessment methods and specific student performance criteria or criteria for success.

20.Distance education/online education:

The faculties of this institution became adept, for the first time, in online mode of teaching during the COVID Pandemic that ensued in March 2020 and continued till November 2021, till the college reopened. Since then the faculties have been accustomed to online mode of teaching as the college is still closed for offline physical teaching. The teachers have used platforms like

google meet and zoom to conduct classes. They uploaded lecture videos and support material in audio visual mode and shared that with the students. Use of online resources have been profusely made during the pandemic period. We have conducted seminar in blended mode. Also, the college has been in the process of establishing linkage with SWAYAM-NPTEL for offering MOOC courses in near future.

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>The affiliated colleges under Burdwan University follow the syllabus designed by the parent university. However, to ensure a structured execution of teaching-learning, Polba Mahavidyalaya sets its institutional goal and imparts quality education. At the beginning of each academic session, the college sets its academic calendar coordinated with the University academic calendar. For the effective implementation of the academic curriculum the Routine Committee of the college prepares the routine which is displayed on the notice board. Course allotment is done and a teaching plan is prepared by all the departments through meetings.</p>	

A detailed curricular planning is prepared and submitted by the departments to the academic sub-committee and IQAC. Teachers take classes referring to the standard texts prescribed by the University and also take help of various resources and teaching aids for additional information. Apart from classroom teaching, departments undertake Group Discussions, Power Point Presentations, Field Visits and Assignments with active participation by the students. The college also has well maintained physical academic and support facilities like Laboratory, Library, Digital Classroom/ICT enabled rooms and computers. Continuous Internal Evaluation (CIE) other than university semester examinations, regular assessment is done to keep track on the improvement of the students. Based on the semester wise result analysis, remedial lectures are conducted if required. The college upgrades within the established structures of the affiliating university making education inclusive and accessible to the young minds.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic calendar is prepared and printed before the beginning of the session and each student is provided with a copy of the Prospectus and Academic calendar at the time of admission. All departments follow the scheduled dates for student seminars, internal exams, Freshers' welcome, annual social, various other cultural programmes and academic activities. The dates of commencement of classes and the detailed academic schedule and list of holidays are mentioned in the calendar. The Convenor of the Academic Sub Committee is entrusted with the task of preparing the Academic calendar after consulting the calendar of the current year and the list of holidays. The dates for internal exams and class tests are clearly mentioned. The dates for practical exams are decided by the respective departments according to the instructions given by the University. Continuous Internal Evaluation (CIE) mapped in this manner in the academic calendar helps in assessing the teaching learning process and evaluates the

performance of the students in respect of the course objectives. The students are informed in advance about the deadline of assignment submission, viva voce and written exams through formal notices.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college being an affiliated college does not have the mandate to design its curriculum. However, within its domain, it

integrates crosscutting issues like Gender, Human Values environment and sustainability into curriculum. Professional Ethics is included and addressed in UG Honours and General Courses offered in the college integrate issues related to gender, environment and sustainability, human values and professional ethics. Issues related to environment and sustainability is integrated into courses of Environmental Studies, Zoology, Botany, and Geography etc. Courses that teach human values in its curricula are Political Science, English, Education etc.. Professional ethics are integrated in the courses of English, Education, History etc. subjects. Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Cocurricular and Extracurricular Activities also. N.S.S. promotes environmental protection through tree plantation and other sustainable development programs.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college takes various steps to evaluate the student in the process of learning. At the inception of the course the students are guided and informed regarding the course they opt for. They are also oriented about assessment process and the facilities offered by the college. Teachers evaluate the class learning levels and prior knowledge at the start of each session. Curricular Planning is done keeping in mind the needs of both slow and advanced learners. For advanced and slow learners, remedial and supplementary classes are offered. For slow learners and late admitted students, subject classes are repeated after the completion of the syllabus. The departments occasionally arranged quiz, talks, lecture to cater to advanced learners. It attempts to incorporate a learner's requisition into the college's pedagogical processes for all round development and progress of the students. Mentorship roles are promoted for advanced students. The faculty members encourage them to approach specialised study material and books. Student seminars encourage students are encouraged to prepare and read their academic papers. Seminars, career oriented training and add on courses have been organized in this session to assist students across the spectrum to gain leverage.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

A variety of contemporary student centric learning strategies have been implemented to motivate the students beyond the realm of theoretical knowledge. The college offers all feasible assistance for the faculty members' use of student-centric teaching, which includes techniques like the following: 1. Smart/ICT enabled classroom 2. Interactive projectors and a smart board 3. Faculty members' personal laptops and laptops from the college 4. Internet access available in the college 5. Funds allotted for maintainance of ICT education infrastructure. Students' seminars are organised by departments at our college. Students are encouraged to give seminar presentations and engage in conversation with peers from different colleges. Additionally, students get the chance to go on field trips, work in the field, visit museums, and talk to other people. Seminars, Special lectures through MOU based faculty exchange programme have been in focus to expand the learning spectrum of the students. Career oreinted sessions and add on courses have been organised in-house, as well as in collaboration with organisations like Mahindra Pride Classroom to enhance the learning experience and intended outcome. Students have visited Ghatshila to conduct field work in this session.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college contains ample facilities of ICT-enabled tools for teachers and students to harness. All the departments contain their personal computers for use. The college contains three smart class rooms equipped with overhead projector, smart board, stylus and laptop with wifi available. All the teachers and students utilize these profusely. The departments are allowed to access all ICT facilities. Various computing devices, digital cameras,

audio-visual technology, and multimedia projectors were abundantly used to provide information and explain courses to students. Using the practice that developed during the pandemic, WhatsApp was used for academic communication. Google classroom, Google Drive and Whatsapp were used for exchanging notes, material and assignments. The students in the post pandemic period have access to computer for academic purpose in the computer lab of the college with 18 computers and 2 in the library. The college is endeavouring to form a meaningful coordination with Swayam-NPTEL and subscribe e-resources in library. In this session we have organised seminar in hybrid mode using the virtual classroom facility of the college. Library has 2 computers with internet and KOHA based automation.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Polba Mahavidyalaya strictly maintains the University of Burdwan's evaluation guidelines. All official notices about such examinations are posted on the college's official website. As per the university instructions, the college ensures that the internal assessment is compulsory for all six credit courses. Assessment of the answer scripts of internal assessment is done objectively. Evaluated scripts are shown to students so that they can rectify their faults and mistakes. Teachers discuss the papers in class to ensure that the students find the evaluation unbiased and transparent. In CBCS system continuous assessment is offered to the students. The internal question papers follows the university question pattern such that students can prepare themselves for final university exams. The academic subcommittee and the examination sub committee jointly conducts the internal examination. Teachers also periodically take assignments, conducts quiz and paper presentations to evaluate the students in regular interval. in post pandemic condition offline conventional sit in examinations have been prioritised to help students get back in sync with the conventional system of university evaluation.

File Description	Documents

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Since the evaluation is both internal and external and the former is conducted by the college while the latter by the affiliating university, examination related grievances are handled in different ways. At the college level, date is fixed for the students at the departmental level on which to consult their evaluated answer scripts so that they can settle disputes, if any, through interaction with the teachers. The students also interact with the concerned teacher at the time of distribution of evaluated answer scripts. The checking of the evaluated scripts by the students is time-bound positively before the filling up of forms for university examinations. Side by side there is a provision of any sorts of complain that can be lodged by the students in the grievances redressal cell. Nosuch complaint has been received yet. The Grievance Redressal Cell/Internal Complaints Committee of the college also looks after groievance emerging from examination and evaluation.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college ensures outcome-based learning to suit the students' present-day interests. Programme/ course outcomes can successfully guide students to choose the right path in higher studies and their future career prospects. The programme/course outcomes are communicated to the students through college/departmental prospectus, the principal's address to students and parents, etc. It is also displayed on the college website. The students get to know the details of the programme/course outcome through their orientation programme. These measures are beneficial for the students in knowing the objectives of the programmes so that they can decide which programme suits them best. Numerous interactions are held between the faculty members and the students. The mentors also explain the PO, CO, PSOs to the students. The students are made aware of the PO, CO, PSOs so that they approach their course well aware of the course as well as expectations.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college makes an effort to monitor the progress of its students. The grades or marks of students in university exams serve as a gauge of the end outcomes of the courses or programmes. While course outcomes can be evaluated based on course results at the conclusion of a semester, the programmed outcome is generated from the programmed result if the student has successfully

completed all six semesters. Regular meetings between the Academic Committee, IQAC and the various departments are held to go over the results, learning development, and the backlog-reduction strategies. To check on the students' progress toward obtaining the targeted results, the faculty conducts ongoing internal evaluations. These evaluations are conducted formally through written tests, viva voce, demonstrative lectures, assignments, etc., or more casually through discussions in class, quizzes, and other activities. At the end of each semester, student feedback is obtained from which the college can get an idea of about their progression. By class test taken by departments. • Project work assignment is given on a specific topic of a course. • Students seminar organized. • Review of the result of final University Examination

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Extension activities pertinent to the neighbourhood community and regarding issues about which the students need to be sensitized are carried out through the two NSS Units. The NSS units have two

adopted villages under their wing. They generally carry out simultaneous activities inside the campus, in the adopted villages and in surrounding areas in the vicinity of the college. They observe important days of social, national and cultural importance. They also carry out awareness campaign on socially relevant issues like cleanliness, AIDS, Thalasemia etc. Following the pandemic period, the units resumed their extension activities with full vitality. Along with days of national importance, digital poster making training, tree plantation, Anti tobacco awareness, Constitution Day, Health Camp at adopted village, International Mother language day, Red Ribbon Club activities like thalassemia test conducted for students. They have also worked as volunteers for helping local people in government programmes held in the vicinity of the college.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

There are standard procedures and policies in place for the preservation of the physical, academic and technical functioning of the institution. The governing body of the college, as the apex body, takes key decisions of infrastructural development and maintenance. These decisions are implemented by various sub-committees like the building committee, computer committee comprising faculty members and members of administrative

faculties. The finance committee of the institution having the Bursar as a member and supervised by the Principal governs the financial undertakings. The finance committee reviews the financial implications for all expense for maintainance. Purchase committee undertakes all purchases required for the aforementioned purpose through proper norms including tender/e tender process. ICT facilities, ICT enabled classroom and website is maintained by the ICT committee. Admission is a fully online process, supervised by the admission committee. Library committee is responsible for supervising the affairs of library. Sports Sub committee looks after the field and sports equipments. The finance and purchase committee work with the IQAC which in turn coordinates with other subcommitees who are concerned with certain specific aspects to ensure the constant upkeep and maintainance of standard of the resources. Ecological conservation and Strategy development is maintained by a separate committee.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Due to certain circumstances, students are currently not a part of the statutory bodies as the stipulated elections for the representation at the students' council / students' union was not held during the year just like the previous one as per the orders of the Department of Higher education, Govt. of West Bengal. However, the students are a part of the Gender Sensitization Cell. Student volunteers are an integral part of the organizing committee and decision making for cultural and sports activities. The college generally organises cultural programmes and competitions all round the year. Students' Week was also organised this year where students not participated in various events but also organised the same actively. NSS volunteers are considered to be the main executors of all extra curricular and extension activities of the college.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college aims and envisions to bring higher education within the reach of students coming from poor and economically backward

families in this rural area; and to create an ambience in which new ideas spontaneously develop, creativity flourishes, imagination multiplies, skill forms, innovation emanates and knowledge gets freedom for manifestation for development of the society. To armour students to overcome their weaknesses, through knowledge. To develop human potential by providing quality education to rural students especially to those belonging to various marginalised communities. The college and its stakeholders stick to the aspect of the college being situated in a SC/ST integrated area. It dedicates itself to the task of providing education to the students of marginalised groups of the society and provide them exposure to higher education and empower them for their future. The college and its functioning is driven by its motto- Tamso Maa Jyotirgamaya i.e. Lead me from darkness to light. Knowledge is therefore considered to be the core vessel of upliftment in the mission and vision of the college and that is reflected in the modus operandi of the college.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The main key areas of the Institution like Administrative decision, University compliances, Institutional Strategies and Policies, Financial matters, Research and Development, Government and Social interface and other development in the office are conducted by the office of the Principal for smooth performance of the Institute. The Governing Body being the apex administrative body of the college strategically embraces the notion of participative management. Other than Principal and various nominated external members, the Governing Body also has representatives from the Teaching and non-teaching staff of the college. Faculty members are encouraged to participate and lead various academic and administrative roles to deliver high quality education to our students. The Institution practices to decentralize and participate the staffs in different subcommittees. These subcommittees take care of different fields like Admission, Routine, Sports, Library, Cultural activities, Career Counseling, Student welfare, Examination process,

Ecological strategy making and so on. The sub-committees work in collaboration with IQAC to organise, supervise and review regularly the various activities of the college. The Conveners of subcommittees hold meetings with members to discuss and finalize the modalities of conducting various events and activities. Students are a part of the NSS, Sports and Cultural bodies where they play a crucial role in deciding and organising events.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutuion is devising a more long term, formal and concrete instituinal strategic plan. However, at the inception of the session, the college authorties do envision the tasks and vision for the year keeping in mind the mission and vision, motto and situational concern of the institutuion. The Head of the Institution, Governing Body and various committees including the IQAC after in depth speculations and by considering vision, mission, quality policy, core values and social factor analysis develop a route map for the year. The plan of action for the year is also reflected in that adopted by the IQAC.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

For the Administrative activities, University compliances, Internal strategy making, Financial Matters, Research & Development, Government and Social interface the College has several executive bodies like Governing Body, IQAC, Finance Committee, Teachers' Council, and the executive sub-committees to

monitoring Admission, Routine, Sports, Library, Cultural activities, Career Counseling, Student welfare, Examination process, Student welfare, ecological strategy drawing etc. The Governing Body looks after the institutional policies, administrative set up, appointment and service rules and procedures. The Finance Committee manages internal finances and financial audit of the college to ensure effective utilization of funds. The IQAC ensures quality through internal academic and administrative audit and conducts skillbased and quality events. The Teachers' Council oversees the overall functioning of the College.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The main sources of funds are student fees and Grant in aid from State Government. However, for the meeting of upcoming requirements for research and teaching learning resources, the College also mobilizes its resources in diaphanous manner. Grants received from UGC are assigned for various activities including academic development and infrastructure growth. Concerned departments and offices of the College usually take care of utilization of UGC grants which are spent on different plan. Fund generated from these resources are principally used for maintenance and development of the college and the prizes for the meritorious students and competition. Adequate funds are also allocated for effective teaching-learning practices that include workshops, inter-disciplinary activities, and so on. Enhancement of library facilities, renovation of classrooms, Labs and faculty rooms. In this session we have been able to succefully utilize Rs. 37, 79,141/- i.e. 75.5% of the RUSA 2.0 Component 11 grant of Rs. 50,00,000/- recieved for the construction of a three storied girls hostel (SC/ST) in the campus.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC of the Institution has contributed Teaching-learning and evaluation processes. Various committees like Admission committee, Routine committee, ICT Committee etc. in association with IQAC prepare the road map for academic plans, lecture notes, ICT facilities etc. for teaching-learning processes and various other programmes. For the easy access of the library, it has been automated by KOHA, and students can computer in library and computer lab. The IQAC of this institution organizes Seminars, Conferences and Workshops including that on NEP 2020. The IQAC organized over twenty workshops and also entered into over twenty MOUs with various HEIs. Regular faculty exchange programs vide the MOUs have broadened learning experience of the students. In this session various add on courses were organised either in house or in collaboration with other agencies to instill employable skills

among our students. The IQAC is also preparing for the second cycle of accreditation. In this session we also managed to utilise 75.5% of the Rs.50,00,000/- funds received from RUSA 2.0, equity initiative for the construction of 3 storied girls hostel (SC/ST).

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Institutionally with the departmental head IQAC reviews the teaching learning process in periodic interval. After the completion of each academic session a review is conducted by IQAC. To fulfill the academic parameter, IQAC analyses the departmental performance and give feed back in accordance with performance and give advice for enhancement if necessary. The physical infrastructure is reviewed and maintained for the students. The Central Library of the College is spacious, equipped and well lighted with well-furnished reading room facilities. It has a stock of a considerable number of books and important journals. Internet services are made available to library users. The learning outcome is evaluated on the basis of the parameters given by the University.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college has a gender sensitization cell run in collaboration with the Internal Complaints Committee which regularly conducts meetings to review whether there is a congenial atmosphere prevails in the college. There is a dedicated drop box of the Gender Sensitization Cell where students can drop their grievance, concerns and suggestions. Through regular meetings the suggestions or complaints if any are addressed.

The cell observes important days like the International Women's Day and Constitution Day to create awareness about women's rights and empowerment.

Seminars on mental health and female health concerns have been organised to create awareness among both genders.

Two separate toilet facilities and a common room is demarcated for the female students. A separate toilet facility is maintained for female teachers. In toilet demarcated for female students, a sanitary napkin dispenser has been installed. The female teachers of the college are entitled to maternity leave and child care leave as stipulated.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

India is a land of diversity. Our institution seems to be miniature of the society as students from diverse cultural,

regional, linguistic, communal, socio-economic background flock to our institution. In order to bring holistic development among the students, the institution gives effort to provide an inclusive. A considerable number of our students are from minority communities. 60% are from marginalised communities like SC, ST and OBC. The college is set in an area with a sizable tribal population. Culture of indigenous communities are highlighted in the college. The students are encouraged to take part in all the curricular and co-curricular activities irrespective of their class, caste and creed. There is no communal discord in the college premises among any stakeholders of the institution. There is no report of any sexual harassment by female staff or girls (students) in the grievance and redressal cell of the college. The faculties and students from minority communities actively take part in organizing Hindu festivals and ceremonies like Saraswati Puja and Basanta Utsav, in fact they take up the role of lead organisers. The courses taught including history and political science talk about harmony in Indian polity, heritage and culture. Various activities are organised to uphold these.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The institution sensitizes the students and employees to the constitutional obligation: values, rights and duties and responsibilities of citizens in every academic session through curriculum and extra-curricular activities. As a part of CBCS programme there are various topics dedicated to sensitize students about the constitutional obligations. The affiliating University curriculum in Political Science includes papers like Human Right Education, Indian Constitution, Democratic Awareness through Legal Literacy, Indian Government and Politics which give an in-depth insight about the Constitution of India and helps to inculcate the values of rights and duties and responsibilities of the citizens. In History, Archives and Museums in India and Understanding Heritage create awareness about the nation's rich heritage. The institution also observes all the days of national importance to remind the students and staff about the nation's rich history and

heritage. Important days like Independence Day, Republic Day etc. are observed with full paraphernalia. This reinstalls the respect for the Nation and the Constitution.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. **Growth with conservation.** From its very inception, the college was cautious in preserving its surrounding ecology that included flora and fauna both. There is a medium sized water body in the college campus. The sanctity of the water body and the fauna has not been harmed in any way. We conserve medicinal plants in the campus in the Sushruta Herbal Garden that house over 40 rare medicinal plants. 2. **Exposure, Collaboration and Excellence:** For long Polba Mahavidyalaya has existed as an isolated remote rural college. However, embracing the new dawn of academic culture we have now strived to provide the state of the art exposure to our students by collaborating with various governmental and non governmental organisations. We have signed MOU with over 20 HEIs to facilitate faculty exchange and other academic activities to widen the learning spectrum. Seminars with resource persons from across the state and the country has also called for an awakening among students. We have attempted to provide them with career oriented training both through in house add on courses, career orientation classes and also in collaboration with organisations like Mahindra Pride Classroom.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Polba Mahavidyalaya is situated in SC/ST integrated area. It also

provides a scope to the girl students of the vicinity to acquire empowerment through higher education. As Polba Mahavidyalaya is situated in a remote rural area, it provides this unique opportunity to the girl students. This is reflected in the enrollment ratio. Over 60% of our students are girls. Also over 60% of our total enrolled students belong to socially and economically marginalised communities like SC/ST/OBC. A considerable percentage of our students also come from minority communities. This justifies and embodies the purpose of the foundation of the college. It reflects the notion that the college is dedicated to the concept of education as the key to social mobility. The college provides an amicable, balanced and liberal space to encourage inclusive culture of education and to encourage the aspect of social mobility and upliftment.

7.3.2 - Plan of action for the next academic year

1. Extend scope of collaboration and increase the number of collaborative career oriented activities like add on courses.
2. Revitalise the library resources.
3. Create scope for adapting MOOC Courses through portals like Swayam.
4. Garner funding for auditoriam.
5. Develop physical infrastructure like classroom, laboratory, ICT etc.
